## STINGER HOCKEY

PUCK STINGERS VISIT MCGILL FRIDAY;  
HOST QUEEN'S UNIVERSITY - SATURDAY OCTOBER 31ST

As far as first impressions go, the Concordia Stingers certainly have a good one of the new 17 team Ontario Universities Athletic Association (OUAA) hockey league they are now part of.

Concordia won its regular season home opener last Saturday, upending Royal Military College (RMC) of Kingston 12-5. The Stingers have a pair of games this weekend, travelling across town to face the McGill Redmen Friday night and hosting the Queen's University Golden Gaels Saturday afternoon (3:30) at the Loyola rink.

The Stingers appear to have regained the scoring touch which saw them capture nine Quebec titles. That string ended three years ago.

Saturday against RMC rookie Frank Sinfield and third year performer Tod button had two goals and one assist each. Veteran defenceman Martin Foy scored one goal and assisted on four others. Another rookie, former Longueuil Quebec Major Junior Hockey League forward Richard Laplante had a goal and three assists.

Concordia now has an overall record of 2-2-2. Last season the Stingers were 5-22-1.
